

Hydrostatic Pressure Test Unit

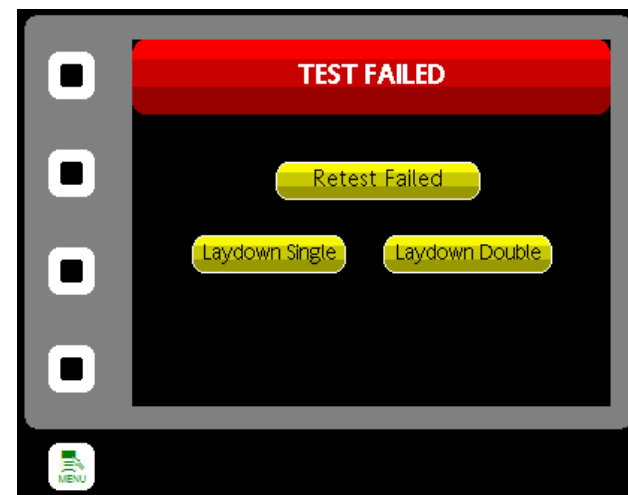

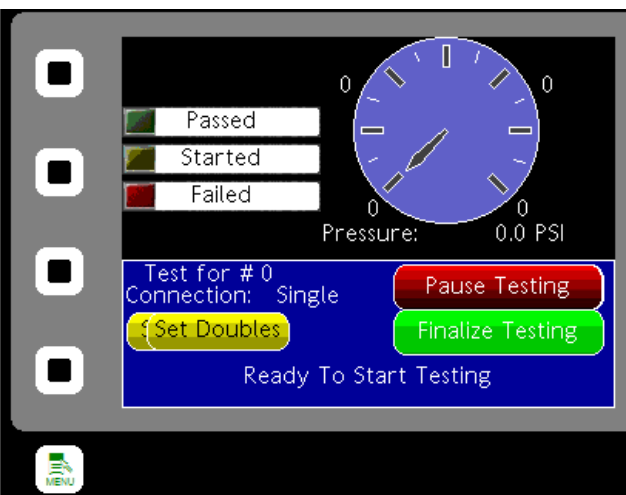

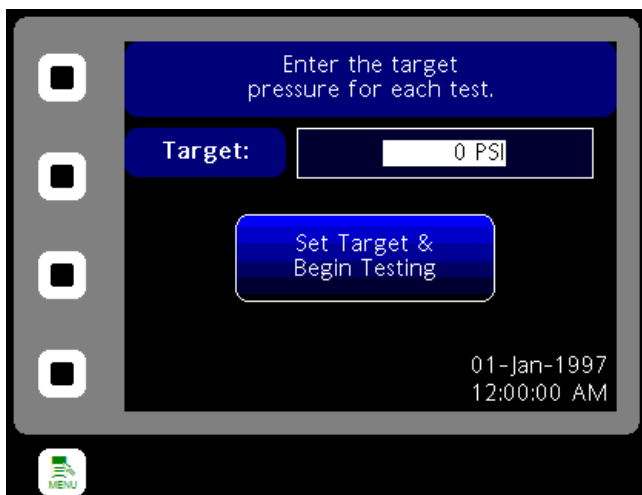

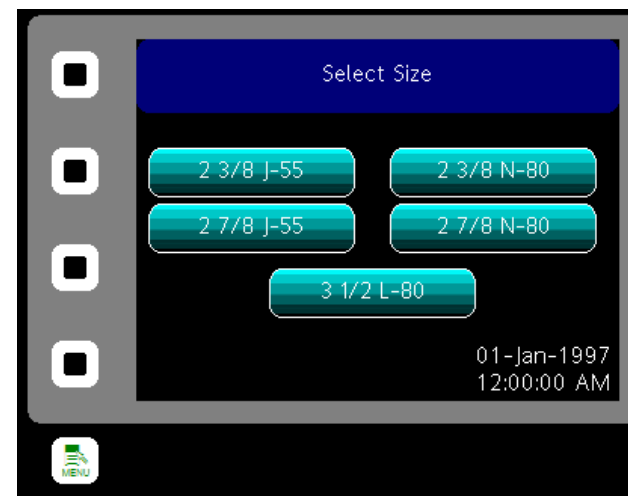

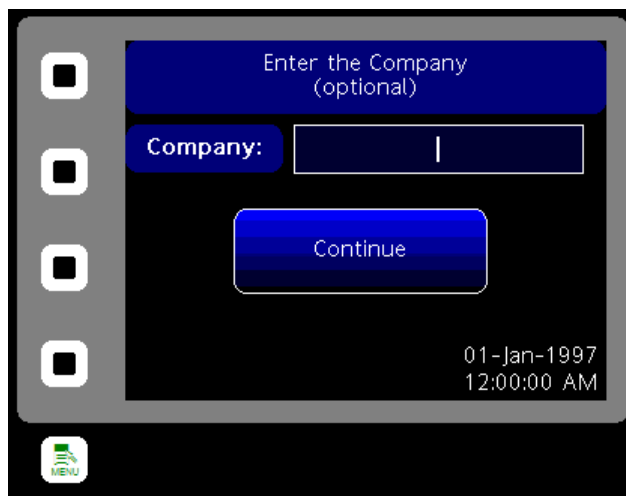

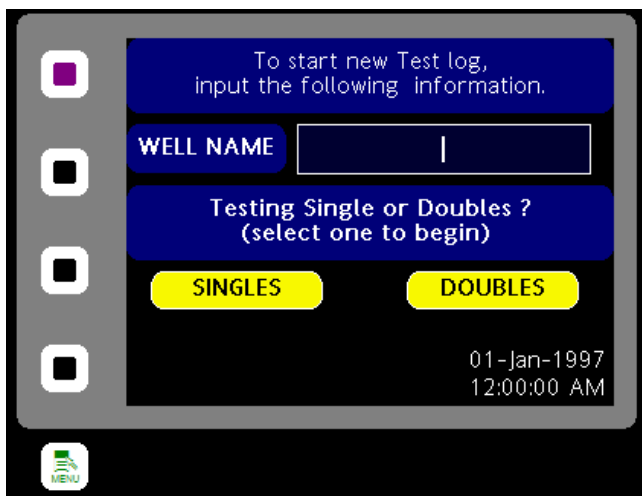

J.E.C. Tubing Testers Now Offers Hydrostatic Pressure Test Documentation

System Overview

- Provides our customers with documentation that every stand or joint was tested to the required pressure for the required time period.
- A secure website is created for each of J.E.C.'s customers.
- After testing is completed, all test reports are sent to J.E.C.'s customer's unique website.
- All test reports are a permanent record on each customer's website and are available 24/7.
- All test reports can be printed, saved in Excel or as a PDF.
